Dedication

With pride and happiness, we, the Class of 1958 dedicate this Sequelle to our advisor, Dean Moore.

Dean Moore's warm smile and friendly greeting welcomed us our first year at Clarion and continued with us as we approached our professional goals.

Now on the threshold of tomorrow, each of us will remember Dean Moore for his kind efforts and willingness to become our friend.

ADMINISTRATION

And turn the key of time."

TO THE SENIOR CLASS OF 1958

It seems less than a year ago that you enrolled as freshmen at Clarion. That was a new adventure for you. At that time the next four years looked like a long period. It is much shorter to look back on now. Just as we are getting well acquainted you are leaving and we will miss you in many ways. You have become leaders in activities such as music, intramurals, clubs, social affairs, etc. Now you are going into another new adventure. Here's wishing you all of the thrills that everybody is entitled to from new and challenging experiences.

Senior Class

For all we know we may never meet again, but the memories born during the past four years will linger always.

Each of us will remember our confusion as freshmen, eagerness as sophomores, perseverance as juniors and responsibility as seniors. The variety of activities experienced by all filled this span of time with both pleasure and hard work.

As we depart from "the college on the hill", the Class of 1958 pushes these memories into the background and anticipates the future.

January Graduates

On January 9, 1958, thirty-two seniors received a Bachelor of Science Degree from Clarion State Teachers. On January 21, 1958, they said "good-bye" to Clarion and "hello" to the world.

To each we wished a fond farewell, and much success and happiness in his new venture.

Junior Class

The 1957-58 school year on C.S.T.C. campus presented a challenge to the returning juniors, and was welcomed with great enthusiasm. After a short time back on the campus, plans had already begun toward making the year a successful and memorable one.

For the third year the members of the junior class elected Tony Donghia as class president. With the able assistance of Dr. Bernard, our class sponsor, and the other officers of the class, many outstanding accomplishments were made.

Representing the class in the annual Homecoming were Sally Bryan and Priscilla Burns.

To the juniors, the Christmas season meant not only fun and vacation but also the Christmas Dance sponsored by the class. The Dance was held December 7, with Ice Landers Ball as the theme.

We, the members of the junior class look back on this past school year with pride and satisfaction. Also we look forward to our senior year with hope and anticipation.

Sophomore Class

After a summer of varied activities the sophomores returned; eager to get back to work and to renew old friendships. This, of course, we did at the Union. Very soon we began to make plans for Homecoming, an event in which we participated actively. Myrna Bastide and Linda Dillman were our attendants to the Homecoming Queen. Cardelio Douds was the Alpha Gamma Phi Queen. Selected by the Sigma Tau Gammas as their queens were Doris Calhoun and Marge McLaughlin.

The class was successful another year under the guidance of Dr. Dana Still. Doris Calhoun was re-elected as secretary. Some of the activities and pleasant events of which the class is proud were our sponsoring of the pre-Easter dance and Ilene Crosson's receiving the Alta Morehead scholarship.

Now as upperclassmen we are looking forward to more rewarding and enjoyable years at Clarion.

Freshman Class

On September 5, 1957, freshmen registered and were assigned to their new homes in Becht, Ballentine, Egbert, Science, and Seminary Halls and private homes in the community. Excitedly we attended our first classes and social events.

Patty Dunmire and Lennie Steiner proudly represented the freshmen class on the Queen's Float at Homecoming.

The Homecoming Parade and exams were among the many new experiences for us this year. The final event of our freshmen year was the freshmen formal.

We hope to continue in the next three years with as much success.

Clarion has been represented in "Who's Who" since the organization's beginning in 1934. The Student Senate is made up of representatives from the student body and is concerned with the welfare of the Clarion students. Under the guidance of Dr. Paul G. Chandler, the Senate discussed and approved the student activities' budget for the 1957-58 term.

Other business this year included setting up the rules for Freshman Week and sending representatives to the annual Student Government Conference.

Sequelle

This year's **Sequelle** staff under the sponsorship of Mr. Kuhner chose the theme "Treasures" as the building block for the 1958 publication.

The fine art work in this year's book is due to the talent and efforts of Richard Pesarcik and Joy Lathers, the art staff. The photography of the publication was guided by the planning and work of Calvin Payne, co-editor of the 1958 **Sequelle**, and Dick Yount, photography editor. The literary department, under the guidance of Marge Nichalson, literary editor, and her staff of faithful workers and efficient typists, was able to add interest to the book. Jim Wigton, business manager, handled the financial problems.

All the members of the staff would like to thank Mr. Kuhner for his guidance and help and Dr. Maady for helping the literary department with its big job of proofreading.

We hope that the 1958 **Sequelle** is one you will remember for a long time as being a unique and representative depiction of days at "the college on the hill," a dearly remembered item in your treasure chest of life.

The Student Education Association of Pennsylvania formerly the F.T.A., is a very active organization on campus. Aside from regular meetings, Clarion was host for the Mid-Western Convention District Conference, and has been represented at other educational conferences.

At the regular meetings held in Seminary Hall, the members enjoy a fine program which includes speakers, discussions, workshops, and films. This educational program is supplemented by other projects such as a float for Homecoming, sponsoring a movie, reading to the children at Ross Memorial Library, and a banquet in the spring with the A.C.E.

The purpose of S.E.A.P. is to provide prospective teachers with a background for the teaching profession, to give them training in leadership, and to help them grow professionally.

Its major project for the year was a compilation of a booklet containing games, songs, stories, poems, units, and other materials and information of value to the student teacher.

A.C.E. had a profitable and enjoyable year under the guidance and assistance of its sponsor, Miss Pemberton.

The pungent odor of greasepaint, the dazzling shafts of the bright spots, the tremulous excitement of the last-minute hustle and bustle, the afterglow of satisfaction from an enervating performance—of such is the theater made up. And in all these phases of exciting theater work, The College Players are involved.

The College Players Dramatics Club is an organization for the advancement of drama appreciation and for the broadening of experiences in the fine arts. Its members are from many fields and from many backgrounds, but they all wish to acquire experience in any or all of the various facets of theater work, and acquire a knowledge and an understanding of the sparkling history of the stage.

Club meetings are given over to both business activity and social functions. Entertainment, instruction in practical theater knowledge, and preparing for the one-act assembly plays, skits for campus and town organizations, and the three-act plays take up the time at these meetings. The annual picnic at Cooks Forest is one of the high points of the year.

Mr. Caldwell and Mr. Mead, the faculty sponsors, have guided and directed The College Players through another very successful year and have many interesting ideas for the future.

The Press Club is composed of members of the **Clarion Call** staff. The purpose of the staff is to publish a school paper, **The Clarion Call**, during the school year. Through the publishing of the Call the members gain valuable experience which will help them to prepare for future work as high school newspaper sponsors. When the members of the club are not preparing to publish the paper, they attend meetings at which programs related to various aspects of journalism are given.

Each year, the club elects students to serve as editors in the various departments. This year Lynn Alter served the staff as Editor-in-Chief, News Editor was Ray Kramer, Feature Editor was James Priestler, Sports Editor was John Morrow. Supervising organizational write-ups was Helen Thompson, while Joy Lathers supplied the art work, and James Miller and Bill Rossiter, along with Dr. George Lewis capably administered the photography work of the Call.

The members of the Press Club are to be congratulated for their earnest work in making a better newspaper for Clarion State Teachers College.

Panel discussions, guest speakers, and motion pictures provided the programs at the regular club meetings.

In October, ten members represented the Clarion chapter at the Middle Atlantic Province conference at Allegheny College, and in November, several members attended the Newman Club School of Catholic Thought at Hershey, Pennsylvania.

A Communion breakfast, an informal initiation, a get acquainted party, a combined S.C.A. and Newman Club weiner roast, maintenance of the bulletin board in Seminary Hall, erecting the Nativity scene with S.C.A., Christmas caroling and the observance of Cardinal Newman Day are some of the activities included in the Newman Club program.

The purpose of the Rifle Club is to encourage rifle proficiency and to engage in competitive activities with other college teams. Target practice for both men and women is provided with twenty-two caliber target rifles and the Army Garand semi-automatic Rifle. The Clarion State Teachers College Rifle Club is a member of the Western Pennsylvania College Rifle League composed of Clarion and the A.F.R.O.T.C. Rifle teams of Allegheny College, Grove City College and the University of Pittsburgh.

Improvements this year are 10 shooting coats which give better control over the rifle and should result in improved scores for every member of the club.

Through added conveniences and excellent leadership, the Rifle Club has had a successful and interesting year.

The Club's outstanding activity was the Winter Carnival, an annual all-college function held in February. An enjoyable afternoon of games and refreshments was highlighted by an evening of dancing at Harvey Gymnasium. The crowning of the Winter Carnival Queen took place at the dance.

Much credit goes to the club's sponsors, Dr. Predmore and Mr. Robbe, for their help and cooperation.

The Waiter's Club is an organization composed of the students who work in either the dining hall, the dish room, or the kitchen.

A new system of family service has been arranged in the dining hall. With the cooperation of the new dietitian, Mr. George Dayspring, and the students, it has been very successful.

One of the original and main functions of the Waiter's Club is to decorate the dining hall for Thanksgiving and Christmas. Banquets, special parties, and other special activities held in the dining hall are served by the Waiter's Club.

Not only is the Waiter's Club a service organization, but it is also a social one. During the year, several parties are held for its members.

Lambda Chi Delta, one of the college's two local sorarities, was founded 26 years ago. Since that time Lambda Chi has grown to be one of the most popular organizations on Clarion Campus. The aims of this sorority are to promote lasting friendships, to recognize scholastic achievements, and to enjoy social functions.

Included among the various activities of Lambda Chi Delta during the school year are the Rush Party, Pledge Party, a Mother's Day Tea, a party with the Alpha Gamma Phi fraternity, the sorority weekend at Cook's Forest, and a party for the senior sisters.

Alpha Gamma Phi, the oldest fraternity on campus, is founded on the ideals of fellowship, scholarship, and character. Founded March 3, 1930, the Gammas have continued their tradition of being one of the school's most active organizations.

Homecoming Day this year proved to be a very successful one for the Gammas. Their float, "Raising the Flag on Iwo Jima," won first prize in the Homecoming parade and made them all very proud of their entry. The Homecoming banquet was equally successful and was enjoyed by both past and present members. Other activities of the year included the rushing of underclassmen and the annual Spring Banquet.

The talented and worthy group of pledges entering the fraternity this year show promise of continuing the fine spirit of friendship and brotherhood for which the Gammas have always been noted.

Sigma Tau Gamma, a national social fraternity, belonging to the National Interfraternity Conference, stresses high standards of education, honorable social living, and participation in extra curricular activities.

The Alpha Zeta Chapter pledges members to its organization because of personal traits necessary for present and future accomplishments, not because of past experiences.

The social calendar for the first semester included the Homecoming float, "Clarion Praving Grounds," the Steak Dinner Dance, and the sale of Christmas cards. Highlighting the second semester was the annual rush party followed by the Sisters Party and the basketball game with the brothers of Sigma Tau from Indiana State Teachers College. The annual White Rose Dance ended a very successful year for all of the brothers of Sigma Tau Gamma.

The purpose of the organization is to promote the improvement of scholarship in the social studies, to inspire social service to humanity, and to develop sympathy towards others with different opinions.

The Iota Chapter, located on this campus, is just one of the one hundred and ten active chapters of the society in the United States.

The official journal of Pi Gamma Mu, Social Science, is published quarterly and distributed to the new members of the various chapters.

The motto of the Society is the epigram of the Master Teacher, "Ye shall know the truth and the truth shall make you free."

Clarion's Alpha Upsilon Chapter is part of Alpha Psi Omega, the largest national honorary dramatic fraternity in the United States. The local chapter was founded in 1936.

The club wishes to thank Mr. Ralph Mead for all of his help and assistance.

Clarion's intercollegiate athletic program includes football, basketball, tennis, baseball and, as student interest warrants, golf and wrestling. The college may very well be proud of the records these teams have made over the years.

The coaches of our teams this year are to be congratulated for getting the most from the material available. The members of the teams are to be complimented for their display of sportsmanship, leadership, and ability to work and play with their teammates.

This year there has been a renewal of interest in the intramural program. This program included touch football, basketball, volley ball, soft ball, wrestling, tennis, handball, and table tennis.

The new regime and our football annals were initiated this year as coaches Johnson and Lignelli took the reigns from former coach Tippin. Along with new coaches, there came to Clarion some promising football material which we hope will make up the nucleus of future outstanding teams. Although this year's record was not outstanding in the wins-losses columns, the "Golden Eagles" gained the respect of all concerned for their die-hearted playing. Despite the hampering aspect of a severe flu epidemic, only one game, that with Brockport, was called off. Our congratulations to Captain Snyder for his appointment to **State Honorable Mention**.

Mr. Carnahan, Dick Danielson, Mr. Johnson.

Basketball

The 1957-58 Golden Eagles cage squad was composed of all underclassmen and these men gave the student body and their opponents an opportunity to observe the fine work of a unit that will be together for the next few seasons.

In compiling an 11-7 record, Coach Carnahan and Assistant Coach Ernest Johnson were able to view the mistakes caused by lack of experience. With the return of such men as Gary Smith, Ron Botz, Jack Bertoni, Dick Danielson, Ernie Smith, Ron Schrecengrast, Bob Volansky and Larry Beightol the coaches hope to put together a unit that will more than represent itself in the run for State Teachers College laurels.

This year's team gave evidence of its fine potential when it established a new single game high, by beating Edinboro 112-92. They furthered that mark by defeating Alliance 116-84. This team of "Fighting Eagles", also finished fourth in the State Teachers College Conference.

Congratulations to these players and coaches for a job well done. We will be rooting for you as you take to the hardwoods once again next season.

The bulk of the pitching chores fell upon John Meneghino and Ron Bimel. The offensive attack was sparked by Bob Fagley, Lou Bucar, Ted Kukich, and Tony Donghia.

The Varsity C serves a threefold purpose: to promote sportsmanship, to supervise all athletic activities, and to create an interest in athletics among all men of the college.

The Varsity C is composed of those men and women who have earned their letter by participating in any intercollegiate sport.

The members sell Homecoming pins, refreshments and programs at the home games during football and basketball season. This money is used to buy awards for the deserving athletes.

In the spring of the year, an All Sports Banquet will be held to honor the letter winners. Each member will invite two high school seniors to attend this banquet as their guests.

Band

This year was one which brought a new band to Clarion. Under the direction of Mr. McDonald, its new leader, the band displayed fine marching style as well as new and interesting exhibitions at our football games. The exhibition at Homecoming was one which added interest to the half-time ceremonies and helped make the 1957 Homecoming a memorable one.

Majorettes

The rhythmic marching of eight pairs of high stepping feet under the leadership of Betty Sarko, head majorette, made up this year's majorette squad.

This year brought with it some changes in and new additions to the squad. Betty Sarka moved into the high-stepping boots of the head majorette, Carol Nasan, Linda Canterna, Ardie Gumphier, and Laverne Haubrick, last year's members, returned to their familiar boots, while freshmen Mary Lee Stewart and Carol Haubrick filled the empty boots left by some of last year's squad.

These girls are to be commended for their new and clever routines as well as the precision performances.

Homecoming

In spite of postponement and a rainy day the Homecoming parade having the theme, "Historical Events", proved to be a success due to the efforts of Jack Dolmayer, chairman, and the cooperation of the clubs and fraternities. Prizes of \$40, First Prize, Alpha Gamma Phi; \$25, Second Prize, Sigma Sigma Sigma; and \$10, Third Prize, Sigma Delta Phi, were awarded by the Clarion Chamber of Commerce.

The Homecoming Queen, Margaret Gourley, a smiling, friendly senior from Franklin, was chosen by the student body and was crowned during the always colorful half-time ceremonies by co-captains Albert Raggazini and Dave Snyder. The Queen's Court, Elizabeth Reed, Doris Staley, Sally Bryon, Priscilla Burns, Linda Dillman, Pat Dunmire, and Lennie Steiner, attended her during the ceremonies.
